Introduction:

The Wonder Jizz Gazette is a facade to attraction the jizz toon population into visiting certain locations in the jizz toon universe as well as using popular products created by Sicko Inc.

The Gazette is the only paper still printed in the Union in 2055, and covers a wide area of Jizz City and Sicko's newly developed area, The Villajizz. Jizz toon citizens use the paper to learn about everything Sicko Inc. wants them to know and learn about their community while pushing, brainwashing, and sometimes offering free samples of his products.

Certain issues of comics distributed by Artist WJB will feature the Wonder Jizz product and reference the Wonder Jizz Gazette in some of it's dialogue. Under NO condition should the word or phrase 'Wonder Jizz' be used to explain anything else, but the Wonder Jizz Gazette, WonderJizz.com or as an fictitious enhancement product by fictitious Sicko Inc.created by it's Author & Owner, William J. Brokowski (Artist WJB).

News Section

The Wonder Jizz Gazette's News section includes a 'major headlines' portion positioned in the center of the home.php page with a Latest Ribbon (in purple). Next to that all other headlines can be accessed by using the # links next to Archived Headlines.

The left hand side of the page features top reads about the latest breaking news stories.

Below 'major headlines' the gazette features a 'In Memory Of' write-up that will populate with the latest gesture first as the page continues to grow.

Events Section

The Wonder Jizz Gazette's Events section features a permanent fixed short story about a museum in Jizz City that is holding an Expo & Exhibit on The Phallus Charm. To the right of the write-up is an image of the museum with a white ticket icon overlaying on the image. Clicking on the ticket will bring up a pop-up screen that starts the short story. The pop-up screen that makes it's presence in the center of the page has 6 mini pages which can be accessed by clicking on the little purple highlighted circular buttons label 1-6 on the bottom on the accessible pop-up.

Closing the pop-up will return you to the Events section of home.php.

Closing the page at the bottom is an additional area for more stories and shorts much like the one featured by clicking on the icon of the white ticket above. Until this area is populated with more content a 'Coming Soon' red stage draped images fills the page in a 4x3 fashion.

Business Section

The Wonder Jizz Gazette's Business section includes a 3 column format with the first column featuring the latest Business report. It includes a top image with a news story in the middle with a bottom image in the footer. The 2nd column offers viewers with a glance at the man behind Sicko Inc. followed by Sicko's Marvel Products, a breakdown of each one of Sicko's crowning products. The 3rd and final column in this section offers an article about a well known location that would be familiar to avid readers of comics by Artist WJB from Hornyshorts.com.

Featured on this page is (i) icons to two of the top images on the page. This icon when clicked will activate a pop-up to a 360 degree tour of the featured location in the image. The first tour is of The Showcase Lounge and the second is of a Warped Dream Room. The 360 degree tour works on android, ios, and pc desktops that support WebGL.
